

Avalon Valley

Villas and Apartments
for sale in Emba, Pafos, Cyprus

Avalon Valley introduces a fresh chapter of contemporary residential design in Emba, combining bold architecture with urban style. Situated along a central road in Emba yet set slightly back from the traffic, the project combines city convenience with a peaceful setting.

Defined by board formed concrete and sculpted brick screens, Avalon Valley presents a distinctive visual identity. The development consists of 36 modern homes and two identical apartment buildings housing 32 residences including two-bedroom and one-bedroom apartments as well as studios. Seven homes feature the added luxury of a private pool.

Project Highlights

- Strategic, prime location near Metropolitan Hospital
- 36 3-bedroom villas and 32 studios and apartments
- Communal and private pools
- Landscaped gardens
- Lobby & Gym
- 24-hour security

Avalon Valley

At its heart, the project offers a large swimming pool and a kids pool. The arrival experience is supported through a reception area, lobby, and sitting area, while the gym on the basement supports a balanced, active lifestyle.

The project also enjoys a strategic proximity to the upcoming Metropolitan Private Hospital, a state-of-the-art medical facility planned for Paphos, ensuring residents have access to world class healthcare right on their doorstep.

Avalon Valley stands out as a thoughtfully crafted community in one of Paphos' most convenient and desirable locations, bringing together modern architecture, quality living, and everyday ease.
